

Tompkins Theatre Company Sponsorship Program

Tompkins Theatre Company
% Tompkins High School
4400 Falcon Landing Blvd., Katy, TX 77494

To Our Community Partners,

Creating quality theatre opportunities for our students is a costly matter. For each major production, in addition to providing on-stage acting opportunities, students have hands-on opportunities to learn:

- Set design, construction and dressing
- Lighting and sound
- Props and scenery
- Design and creation of costumes
- Script and character analysis
- Publicity campaigns and much more....

YOUR Sponsorship donation creates these opportunities for the students. It helps our students learn, grow, stretch their boundaries, stay busy and focused and prepare them for university study and life commitments. Theatre students are provided with the opportunity to compete and showcase their work at the State and National Thespian Convention and to prepare portfolios of their work to use in interviewing and college placement. Your tax deductible contribution provides quality education for students.

We are asking that you join us in this endeavor to provide quality education through the arts at Tompkins High School! **Your contributions are tax deductible** and you will receive a thank you letter from us that will document your donation for tax purposes. We will also make sure that parents, students and the general public are aware of how your business helped make our productions and students a success!

Sincerely,

Tompkins Theatre Company Booster Club
tompkinstheatrebc@gmail.com

This program benefits Tompkins High School Theatre Company and Tompkins Theatre Company Booster Club is a 501(c)(3) organization.
