No roles for either the cast or tech crew have been determined at this time. Throughout the rehearsal process these roles/tech positions will be determined. All roles and crew position will be permanently assigned by February 3rd.

*Cast please see attached character descriptions and possible roles. This does not mean you will be either of these roles, just be prepared to read the roles listed.

*All technicians (including alternates) will help one another design the entire show in all aspects during the ensemble building period.

The final cast and crew will be determined by February 3rd.
