Actor RehearseScore App

Download this app from the app store onto your phone or ipad.

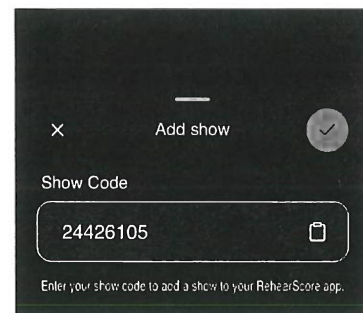

What's New >

Once you open the app it will ask for a cast code.

Cast Code: 24426105

Once you enter this code once, it should never ask for that code again. If it does, please come talk to Morris. You are allowed to download it to one device, one time. Do not download it to multiple devices.

Once entered, you will hit continue and you will be on the dashboard of Frozen.
